Monday 12th September
School Photos

Friday 16th September
Interschool Athletics
Carnival
Host: Yerecoin PS

Week 10

Wednesday 21st
September
General Assembly 2.15pm

PBS FOCUS

Dear Parents, Staff and Guardians,

This term has been an incredibly busy one, with classroom programs wrapping up, student assessment and reports, and community events such as Cross Country and Music Feste. Our staff and students are undoubtedly exhausted and I wish them a restful and well-earned holiday break.

Cross Country

I was incredibly proud and equally impressed by our students at the VPSSA Cross Country competition last Friday. Goomalling students gave their all, demonstrating a heartening display of competitive and determined sports ethic balanced beautifully with a positive and encouraging attitude towards their peers and opposition schools. The day was a great example of community spirit and a memorable one for all involved. I would like to again thank Julie and Chrissy for the organisation of the event, our amazing P&C for their work in the canteen and our GPS staff and parent volunteers who ensured the day went smoothly and was a success for all involved. Thank you.

Music Feste

In another great example of community spirit, our students were outstanding in their performances at Music Feste. We are lucky to have Nigel Harford delivering a quality arts program to our students and their hard work, practice and teamwork shone through in each of their performances on Wednesday. I have enjoyed watching the progress of our students on their instruments this semester, with several students taking on a new skill or working hard to improve their musical ability. As well as being great fun, music and playing musical instruments can have a significant positive impact on child development and it is fantastic to see our students building their skills through classic and contemporary hits such as *Stand by Me* and *Zombie*. Well done students and congratulations Mr. Harford.

Rose Bushes

I would like to thank Rex Rowles and Andrew French for taking the time to remove several rose bushes from the Farmers Club gardens to transport into our own garden beds at GPS. Mr. Kennedy has since planted the roses along the pathway leading into our school (by the staff car park) where they will become a welcome addition to our school entrance. Thank you to the Farmer's Club for allowing us to take them.

Farewell

I would like to thank the Goomalling Primary School staff, students, and community for welcoming me into the school and for your ongoing support in ensuring we continue to move forward at GPS. In stepping into this role, it became clear quickly that the school was in a good position, thanks to the work of former Principal, Amanda Roe, the School Council, led by Trudi Manera, and the GPS staff who have continued to ensure the school remains consistent for our students, in spite of the changes to leadership.

Goomalling Primary school is a fantastic school within a welcoming and supportive community. It is far easier to set and achieve goals when you have everyone working on the same team, and the links between our staff and parent body, and the wider Goomalling community are strong and encouraging.

My time here has been wonderful. I have loved working with our *Gooma* kids and appreciate how lucky I have been to lead a team of such dedicated and expert educators and support staff. Goomalling Primary is in an exciting position, with strong foundations and change on the horizon. I have thoroughly enjoyed my time here, and will sincerely miss the school, our students, and the many friendly faces and kind folks I have met over the past semester.

Thank you,

Joshua Conti Principal

MUSIC FESTE 2022

Goomalling Community Op-Shop Funding Recipient

Our Goomalling Primary School P&C has been successful in adding to their Comprehension Strategy Boxes. This allows for a smoother rotation and greater variety of reading material that is specifically designed to help students learn at their own pace and to their individual needs. \$1000 will go towards the purchase of Comprehension Strategies learning resources for the school.

This wouldn't be possible without the support of the Goomalling Community Op-Shop.
Many Thanks!
